Overview and Target Audience
Hosted by The Children's Hospital Heart Institute in Denver, Colorado, this symposium will focus on preventive pediatric cardiology and the management of risk factors in the young. This program is designed to bring together physicians, nurses, and health care providers involved in the practice of preventive cardiology in children, adolescents and young adults.

Objectives
Upon completion of this program, participants should be able to:
- Identify and describe processes related to the development of atherosclerosis
- Discuss issues surrounding blood pressure in pediatrics
- Understand basic and clinical science of lipidology
- Discuss current prospective lifestyle intervention trials related to pediatric cardiovascular disease

Continuing Education Credit
The Children's Hospital is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians. The Children's Hospital takes responsibility for the content, quality, and scientific integrity of this CME activity.

The Children's Hospital designates this continuing medical education activity for a maximum of 11 credit hours in Category 1 credit towards the AMA Physician’s Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

General Information
Registration will be available both prior to the conference ($250) and on-site ($300). Early registration is encouraged as housing is limited due to peak travel season. Participants will be accepted in order of postmark. Written confirmation will be sent upon receipt of your registration.

For additional information, please call The Children’s Hospital Educational Services Department at 303-861-6160 or e-mail inquiries to gonzales.theresa@tchden.org. If you require special assistance or services to allow full participation, please notify us at least 4 weeks in advance of the conference.

Early Registration Deadline
Please return the registration form with payment by August 1, 2007 to receive the early registration fee. Written confirmation and directions will be sent upon receipt of your registration.

If using an agency credit card, prior authorization from the issuing bank is required as some cards have usage restrictions. There will be an additional $25 fee to reprocess any declined credit card.

Activities
There are a wide variety of activities available in Aspen during the summer. Information will be available at the conference and can also be viewed from a number of websites, including www.aspenchamber.org. The world-renown Aspen Music Festival will be in full swing during the conference. Program details and tickets can be obtained from www.aspenmusicfestival.com. Early booking is recommended.

Cancellation
Your registration will be refunded less a $75 enrollment processing fee ($25 for a single day registration) if cancellation is requested by July 15th, 2007. If your cancellation is received later than July 15th, 2007, you may send a substitute. The Children’s Hospital reserves the right to modify the agenda or cancel this conference in the event of an unforeseen circumstance or if the minimal acceptable registration is not attained by July 15th, 2007, with a full refund to the participant.

Accommodations
Aspen offers a wide variety of lodging options; however, early booking is highly recommended. There are rooms reserved at the Molly Gibson (1-800-356-6559) and the Hotel Aspen (1-800-527-7369) for conference participants. Both hotels are within 3 blocks of the Given Institute. Please mention the Children’s Hospital Heart Institute Conference to receive your room discount.

Further Information
For questions or to request arrangements to accommodate a disability, contact Diane Gonzales, Conference Coordinator, at (303) 861-6160 or e-mail gonzales.teresa@tchden.org in advance of the conference.
Preventive Pediatric Cardiology in Children, Adolescents and Young Adults

Scientific Program
Friday, August 3
2:00 Registration opens
3:00 Welcome
Stephen Daniels & Robert H. Eckel
3:15 Starting Early to Prevent Heart Disease
Henry McGil1
4:00 Lessons from Bogalusa
Gerry Berenson
4:45 Subclinical Markers of Atherosclerosis
Thomas Kimball
5:30 Welcome Reception for all conference attendees and their guests
Saturday, August 4
7:00 Registration & Continental Breakfast
8:00 Clinical Update on Hypertension in Children & Adolescents
Stephen Daniels
9:00 Lipids: The Good, the Bad, and the Ugly
Robert H. Eckel
9:45 Refreshment Break
10:00 Drug Therapy of High Risk Hyperlipidemia
Brian McCrindle
11:00 Smoking Prevention in Children and Adolescents
Sam Gidding
12:30 Adjournment
Sunday, August 5
7:00 Registration & Continental Breakfast
8:00 Insulin Resistance & the Metabolic Syndrome in Children
Julia Steinberger
9:00 Genetics of Obesity
Wendy Chung
9:45 Refreshment Break
10:00 Assessment of Overweight and Obesity in Children – Does one size fit all?
Nancy Krebs
10:45 The Role of Physical Activity in Relation to Cardiovascular Risk Factors in Children
Lars Bo Andersen
11:30 Panel Discussion
12:30 Adjournment

Guest Faculty
Lars Bo Andersen
Prof., Dr. Med. Sci., Ph.D. Norwegian School of Sport Sciences Oslo, Norway
Gerry Berenson, MD
Director, National Center for Cardiovascular Health School of Public Health and Tropical Medicine Tulane University New Orleans, LA
Wendy Chung, MD, PhD
Herbert Irving Assistant Professor of Pediatrics in Medicine Director of Clinical Genetics Columbia University New York, NY
Sam Gidding, MD
Pediatric Cardiologist A.I. DuPont Hospital for Children Wilmington, DE
Thomas R. Kimball, MD
Professor of Pediatrics, University of Cincinnati College of Medicine Director, Cardiac Ultrasound, Cincinnati Children’s Hospital Director, Cardiovascular Imaging Core Research Laboratory Cincinnati, OH
Brian W. McCrindle, MD MPH
Professor of Pediatrics, University of Toronto Staff Cardiologist and Senior Scientist The Hospital for Sick Children Toronto, Ontario, Canada
Henry C. McGill, Jr, MD
Senior Scientist Emeritus Southwest Foundation for Biomedical Research San Antonio, TX
Julia Steinberger, MD, MS
Associate Professor of Pediatric Cardiology University of Minnesota Minneapolis, MN

Local Faculty
Stephen R. Daniels, MD, PhD
Professor and Chairman, Department of Pediatrics University of Colorado School of Medicine L. Joseph Butterfield Chair and Pediatriscian-in-Chief The Children’s Hospital
Marilyn Day, MS, RD
Co-Director, Preventive Programs The Children’s Hospital Heart Institute The Children’s Hospital
Robert H. Eckel, MD
Professor of Medicine Professor of Physiology and Biophysics Professor of Pharmacy Charles A. Boettcher II Chair in Atherosclerosis Program Director, Adult General Clinical Research Center University of Colorado School of Medicine
Nancy Krebs, MD
Professor of Pediatrics (Nutrition) Head, Section of Nutrition University of Colorado School of Medicine
Amy L. Taylor, MS
Instructor of Pediatrics (Cardiology) University of Colorado School of Medicine
Reginald Washington MD
Medical Director, Pediatrict Medical Group Clinical Professor of Pediatric Cardiology University of Colorado School of Medicine
Phil Zeitler, MD, PhD
Associate Professor of Pediatrics (Endocrinology) University of Colorado School of Medicine

Travel Information
Via Denver International Airport Located in the Central Rocky Mountains of Colorado, Aspen is 220 miles west of Denver and is easily accessible by car or van shuttle service via scenic Interstate 70. Van shuttle service is available from Denver International Airport (DIA) to Aspen and may be arranged by calling Colorado Mountain Express at 1-800-525-6363. Directly to Aspen/Pitkin County Airport There are direct airline services from many major metropolitan areas into Aspen/Pitkin County Airport (ASE) by three national carriers. These fares are sometimes less expensive than flying to Denver (although many route through Denver) and eliminate travel by shuttle or rental car over the Continental Divide. Ground transportation from ASE is available through hotel shuttles, village shuttles or rental cars.
